Week 1 – April 6th Saving Activity Riddle

I am used for saving money. You can fill me up with coins and bills. You can take me to the Credit Union to make a deposit. What am I? Did you guess a piggy bank? You are correct.

Financial tip – Saving money is very important! Saving is income not spent. Methods of saving includes putting money to the side for later and depositing account or an investment fund. Savings also involves reducing expenses.

Complete the activity on the following page. Have a family member take a picture of the student and the activity. Submit the picture via email to collegekids@stlouis-mo.gov to receive $5 in financial education per activity. Deadline is April 10, 2020.
