Week 2 – April 13th Earning income Activity
Mommies and Daddies go to work every day to receive an income. Can you think of ways you can start earning money now?

Financial tip – Earning income is obtaining money in return for labor or services. Income can also include receiving a salary from employment, pension, or social security. Earnings also include interest or a profit from investments.

Draw or write ways you can earn money

(Optional – print page 2)

Complete the activity on the following page. Have a family member take a picture of the student and the activity. Submit the picture via email to collegekids@stlouis-mo.gov to receive $5 in financial education per activity. Deadline is April 17, 2020.
April is Financial Literacy Month
