Week 3 – April 20th Wants and Needs Activity

You need a place to live, clothes to wear, and enough food and water to maintain your health—these are the things you need to survive. **Can you think of some things you need or want?**

Financial tip – Wants are desires that may vary from person to person and from time to time. Wants are something a person would like to possess like treats, toys or a 70-inch tv.
